Our school is more than just an institution — it is a vibrant learning community that values academic integrity, cultural heritage, and holistic development. Established with a vision to empower rural youth, we have been a cornerstone of quality education in the region for several decades. The school offers education from Kindergarten through Class XII, catering to students from diverse backgrounds. We believe in nurturing the unique potential of every child by combining rigorous academic training with a strong emphasis on values, discipline,

About Us

TASA TENGAY GOVERNMENT SENIOR SECONDARY SCHOOL is nestled amidst the serene hills and pristine natural beauty of North Sikkim, India. Our school is more than just an institution — it is a vibrant learning community that values academic integrity, cultural heritage, and holistic development. Established with a vision to empower rural youth, we have been a cornerstone of quality education in the region for several decades. The school offers education from Kindergarten through Class XII, catering to students from diverse backgrounds. We believe in nurturing the unique potential of every child by combining rigorous academic training with a strong emphasis on values, discipline, and community engagement. Our dedicated faculty members are not only well-qualified but also deeply committed to the emotional and intellectual growth of each student. We strive to cultivate curiosity, creativity, and confidence, encouraging learners to ask questions, explore ideas, and contribute meaningfully to society. The campus includes digital classrooms, science laboratories, a well-stocked library, sports facilities, and ample green spaces for outdoor learning. In keeping with our commitment to inclusivity, we support learners with different needs and ensure that no child is left behind. At TASA TENGAY GOVT. SR. SECONDARY SCHOOL, we envision a future where education uplifts entire communities and prepares students to meet the challenges of a rapidly changing world — with wisdom, empathy, and resilience.
